Subject: Request for Semester Fee Payment Extension

Respected Sir,

I, **AbdulRauf Siddiqui (21B-046-CS)**, seat number **CT-21005**, am currently enrolled in the 6th semester of Computer Science at UIT.

I am facing difficulty managing my studies alongside my job, which is essential for my financial stability. Unfortunately, I have yet to receive my February **salary**, leaving me unable to pay the full semester fees at this time.

I kindly request either a pay slip allowing me to pay **half of the semester fees now** and the remainder later, or an **extension on the payment deadline** to align with my upcoming salary.

Your understanding and assistance in this matter would be greatly appreciated.

Regards,

AbdulRauf Siddiqui
